# Coloring Book

2013

Our 2013 robot could shoot Frisbees and climb a 10 foot metal pyramid.

DESTINATION:

DEEP  
SPACE

Presented By

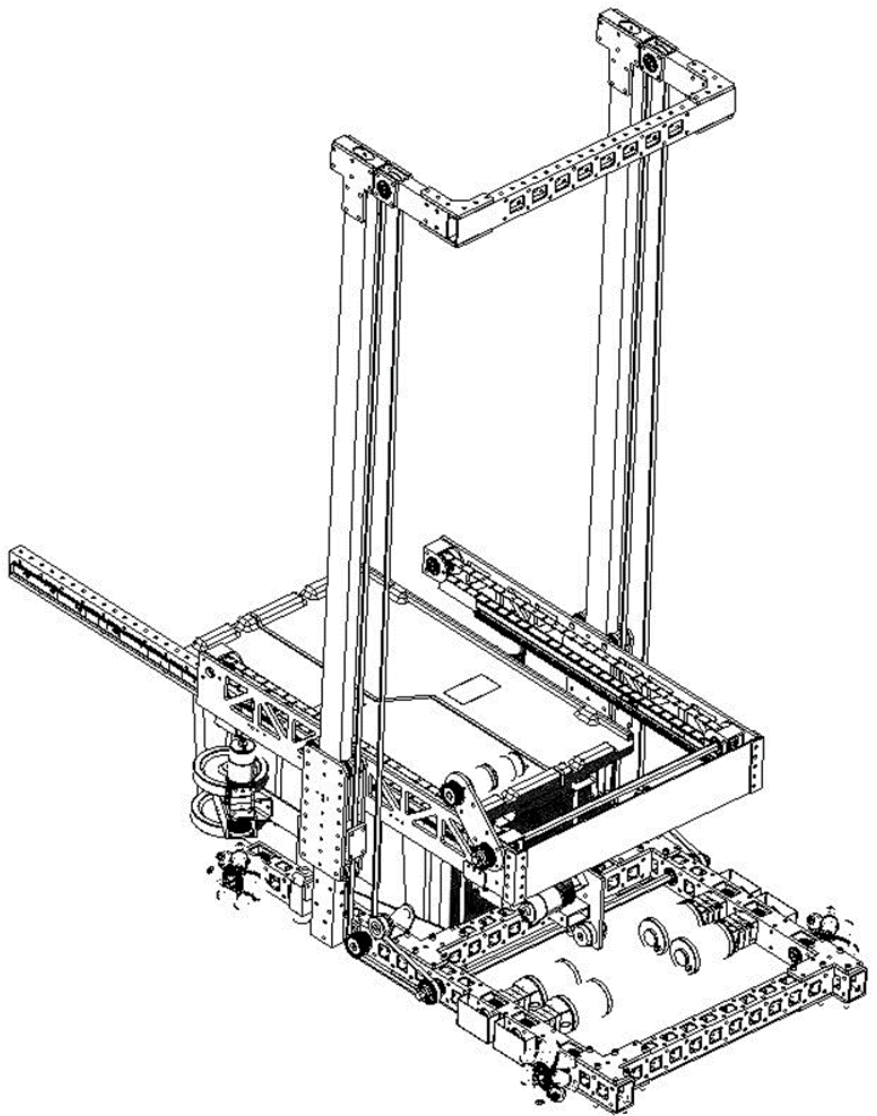

# Robot Assist

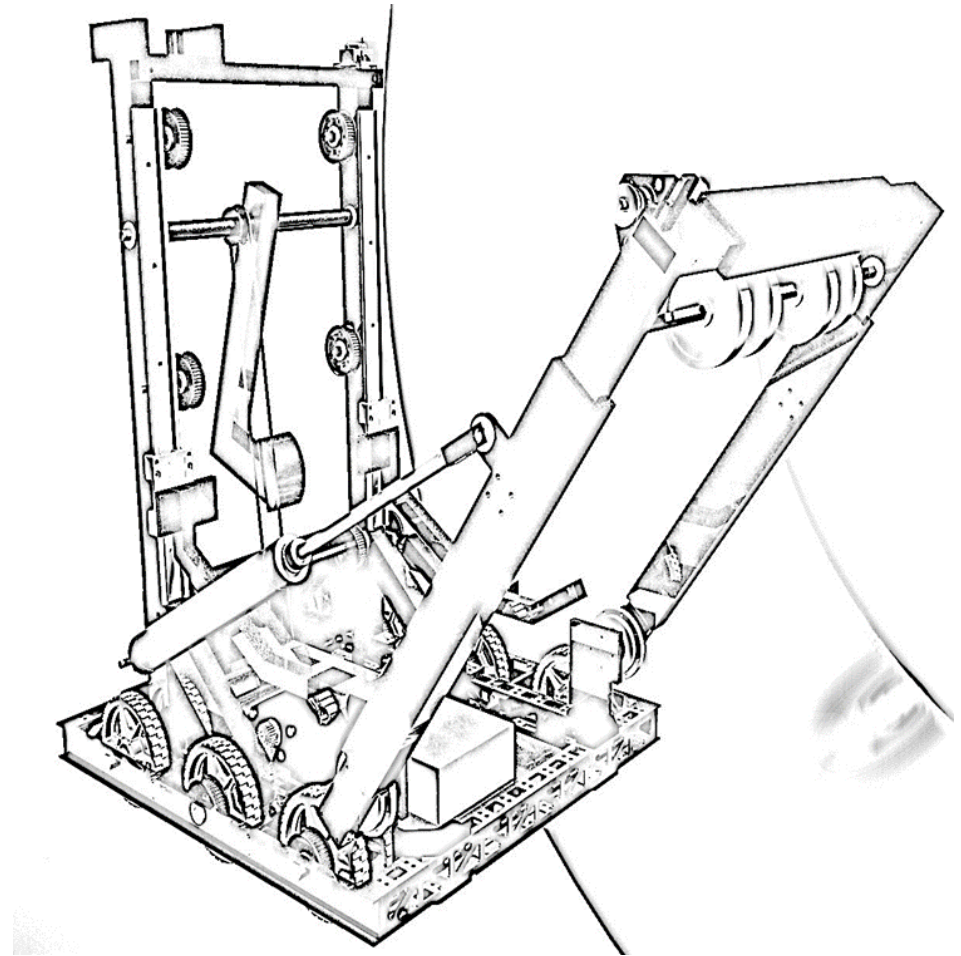

SM

Aerial Assist 2014

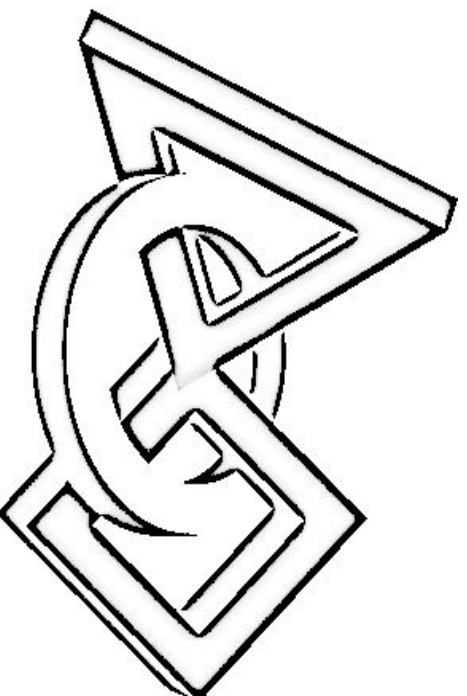

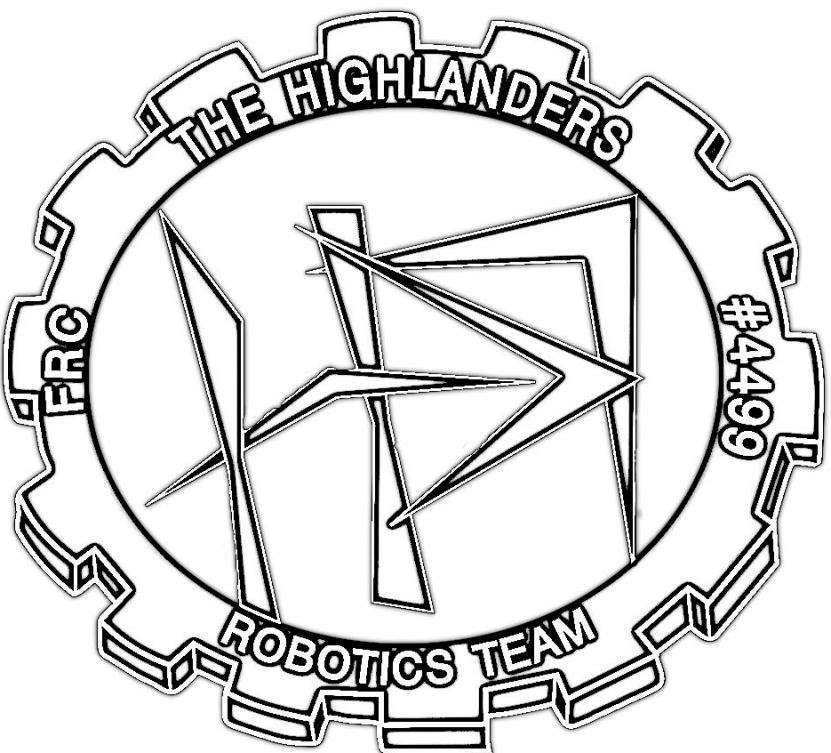

Pulsar was our 2015 robot and could stack totes 6 high! After this picture was made we also added a 'tail' to reach out and pick up big recycle bins.

# RECYCLE

Quasar, our 2014 Robot, could pick up and kick exercise balls into a tall goal and worked well with its team mates.
